# DOCK ACCESSORIES, LIGHTS AND ELECTRIC

The core of the Savorak brand is to create comfort and style to shore areas. Savorak docks are well-known all-over Finland, and naturally Savorak Design Collection has been created to support the usability and style of docks, piers, and shores or waterfront.

Savorak Design Collection offers swimming ladders, bollards and lights to piers and docks. As all the collection products, these are made of high-quality materials with Nordic design.
